How to use this chart:

First, find your course in the class schedule listing of this book. Check the "Wks" column to find out the length of your course and the 'Wks Code.' Then, look in the 'Wks Code' column on the chart below and locate the matching "Wks" indicator. Follow the row across to determine the applicable add/drop and refund dates for your course. If you are enrolled in two or more courses, each may have different dates and deadlines. Deadlines are based on business days (excluding holidays) not instructional days.

New! Check the on-line class schedule for specific course deadline dates!
