**Notes:**

- Prior to 2004-05, there was a full-time tuition plateau, commonly 12-18 credit hours for undergraduate and 9-15 credit hours for graduate students.
- Starting in 2004-05, full-time tuition represents 15 credits for undergraduate students and 12 credits for graduate students.
- <sup>1</sup> Tuition and fees include: Tuition and all Mandatory Fees (i.e. Universal Resource, Building, Incidental, Health Service and Recreation Center fees).
- <sup>2</sup> Beginning in 2007-08, WOU implemented the Western Promise tuition rate for resident undergraduate students at WOU.  
*The WOU Tuition Promise guarantees that the per-credit tuition rate for undergraduate students will not increase for Oregon residents. In 2012-13, WOU again offered a choice between the Promise and a NonPromise rate for incoming freshmen and transfer students*
- <sup>3</sup> From 1976-77 through 2011-12, in accordance with OAR 580-010-0081 then in effect, Eastern Oregon University's nonresident rate was the same as the resident rate. Effective with the 2012-13 academic year, OAR 580-010-0081 was modified to limit resident rates at EOU to residents of Oregon, Washington and Idaho.  
 For 2011-12 only, EOU instituted a separate tuition rate for International Students. Undergraduate: \$19,169 Graduate: \$30,441  
 In 2012-13, EOU instituted a separate non-resident rate and folded the international rate into the new non-resident rate
- <sup>4</sup> Resource fees for law rolled into tuition rates in 2006-07.
- <sup>5</sup> In 2008-09, EOU, PSU, SOU and WOU rolled Programmatic and Universal Resource Fees into tuition rates.
- <sup>6</sup> In 2009-10, OSU rolled Programmatic & Universal Resource Fees into undergraduate tuition. UO rolled all Universal Resources Fees and most Programmatic Fees into tuition for graduate students.
- <sup>7</sup> In 2010-11, UO rolled all undergraduate Programmatic fees into tuition and OSU rolled all graduate Programmatic and Universal Resource Fees into tuition. OIT rolled Programmatic & Universal Resource Fees into tuition rates
- <sup>8</sup> 2013-14 tuition rates for resident undergraduate rates were decreased effective with the Winter term as a result of legislative action taken after rates were initially approved by the State Board of Higher Education.
